

GANDIABLASCO AT ITS MOST MEDITERRANEAN AROUND THE POOLS OF 4 UNIQUE HOTELS

The **GANDIABLASCO** outdoors collections bring the Mediterranean Sea to the most luxurious and inviting hotels: design and comfort around the pools of these hotels that want to transmit the Mediterranean style of the brand within their outdoors spaces.

The **D Maris Bay Hotel**, located on the Turkish coast with its spectacular views of the Aegean Sea, offers its guests the possibility of relaxing on the reclining **DAYBED** or **PÉRGOLA SOFÁ**, that form part of the **OUTDOOR SPACES** collection by **GANDIABLASCO**, together with the loungers, matching tables and side tables that make up the **SALER** collection.

In the southeast of France the loungers and low tables belonging to the **NA XAMENA** collection, the **LIPSTICK** chairs and **FLAT** modular poufs are the perfect compliment to the natural beauty of the Saintes Maries de la Mer landscape, set out around the heated pool of the **Mas de la Fouque**, a four star hotel near the Camarga natural reserve.

Not very far from there, at the heart of the French region of Provence the white tones of the **GANDIABLASCO** collections offers a contemporary architectural contrast to the Medieval period **Hotel Le Vieux Castillon**. The organic design of the stools and loungers belonging to the **365** collection including; the bar tables, architectural lines of the **NA XAMENA** stools and loungers and the designer armchairs belonging to the **LIPSTICK** collection that invite guests to sit and enjoy a cocktail by the pool of this 4 star hotel situated amongst the wineries of Provence near the celebrated pont du Gard.

In Portugal the Belle Epoque architectural style of the **Hotel Vidago**, just one hour from Porto, contrasts with the anodised aluminium and timeless elegance of the high tables, chairs and loungers of the **SALER** collection, that compliment the pool terrace of this 5 star hotel with its old world charm.

Four slices of paradise inspired by the enjoyment of and relaxation within the natural environment, located in different parts of the world with a unique feel to each: the perfect foil for the contemporary design of the outdoors collections and Mediterranean spirit of **GANDIABLASCO**.

About GANDIABLASCO

Founded as a family business in 1941 specialising in the production of blankets. During the mid-80s they began manufacturing carpets. Since 2000 the company has focused exclusively on outdoor furniture products. Their ambitious business strategy was consolidated through rapid expansion to become a world leader in outdoor designer furniture.
